## PROPOSED TEMPORARY CLOSURE OF COMMON LANE, BEDCHESTER

I have received an application from Wessex Water Services to close Common Lane, Bedchester between Penn Hill and a point approximately 40 metres east. The closure has been requested to allow Wessex Water Services to carry out leak reinstatement works. These works are programmed to commence from 09:30, 13th July 2026 until 15:30, 13th July 2026.

Wessex Water Services will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Jamie Igoe, ([trafficeam@dorsetcouncil.gov.uk](mailto:trafficeam@dorsetcouncil.gov.uk)) by 25th June 2026.
